

EMA Green Seal Checklist

1.0 General	
1.1	<input type="checkbox"/> A production-wide environmental statement and mission
1.2	<input type="checkbox"/> Offer incentives to staff and crew who join the environmental task force
1.3	<input type="checkbox"/> Create an action plan for energy sourcing for the length of the production
1.4	<input type="checkbox"/> Create an action plan for materials sourcing for the length of the production
1.5	<input type="checkbox"/> Create an action plan for transportation logistics for the length of the production
1.6	<input type="checkbox"/> Complete a carbon assessment / footprint
1.7	<input type="checkbox"/> Purchase carbon credits for carbon neutrality
2.0 Energy Generation	
2.1	<input type="checkbox"/> 100% Green utility power (RECs or local green power program)
2.2	<input type="checkbox"/> Enrolled in local and utility based green power program
<i>If applicable, choose one of the criteria below</i>	
2.3	<input type="checkbox"/> Generating between 1-5% of energy from onsite renewables (solar, geothermal, etc., at main studio location)
2.3	<input type="checkbox"/> Generating between 6-15% of energy from onsite renewables (solar, geothermal, etc., at main studio location)
2.3	<input type="checkbox"/> Generating between 16-30% of energy from onsite renewables (solar, geothermal, etc., at main studio location)
2.3	<input type="checkbox"/> Generating between 31-50% of energy from onsite renewables (solar, geothermal, etc., at main studio location)
2.3	<input type="checkbox"/> Generating more than 50% of energy from onsite renewables (solar, geothermal, etc., at main studio location)
<i>If applicable, choose one of the criteria below</i>	
2.4	<input type="checkbox"/> Between 2-19% biodiesel blend used in onsite generators
2.4	<input type="checkbox"/> Between 20-49% biodiesel blend used in onsite generators
2.4	<input type="checkbox"/> Between 50-98% biodiesel blend used in onsite generators
2.4	<input type="checkbox"/> 99% biodiesel blend used in onsite generators
3.0 Energy Efficiency	
3.1	<input type="checkbox"/> A person responsible for making sure lights and electronics are turned off
3.2	<input type="checkbox"/> All internal building lights are compact fluorescent or LED
3.3	<input type="checkbox"/> No tungsten / incandescent lights on set (change to fluorescent, high-intensity discharge, etc.)
3.4	<input type="checkbox"/> General outdoor lighting is partially solar lights
3.5	<input type="checkbox"/> Trailers are retrofitted with energy efficient lighting and AC / heater systems
4.0 Materials and Set	
4.1	<input type="checkbox"/> All wood-based products are FSC (Forest Stewardship Council) certified
4.2	<input type="checkbox"/> Reused set materials from another shoot
4.3	<input type="checkbox"/> Purchase carbon neutral materials
4.4	<input type="checkbox"/> Use recycled products
4.5	<input type="checkbox"/> Paints, lacquers, and sealants are low to no-VOC (volatile organic compounds)
4.6	<input type="checkbox"/> Paints, lacquers, and sealants are water based
4.7	<input type="checkbox"/> Set designed for disassembly of materials
<i>If applicable, choose one of the criteria below</i>	
4.8	<input type="checkbox"/> Less than 50% of the material is disposed of as waste
4.8	<input type="checkbox"/> Less than 20% of the material is disposed of as waste
4.8	<input type="checkbox"/> Less than 5% of the material is disposed of as waste
5.0 Transportation	
5.1	<input type="checkbox"/> Rental and leased vehicles are hybrid or alternative fuels
5.2	<input type="checkbox"/> Policy, communications, and action to stop the idling of vehicles
5.3	<input type="checkbox"/> Bicycles available to staff
5.4	<input type="checkbox"/> All hotel bookings are in a hotel with a clearly stated environmental program
5.5	<input type="checkbox"/> A concerted effort was made to reduce private jet travel (replace with commercial air travel)
5.6	<input type="checkbox"/> Private jet travel is 100% replaced by commercial air travel
<i>If applicable, choose one of the criteria below</i>	
5.7	<input type="checkbox"/> Approximately 1/3 of staff uses public transportation or carpools Mon-Fri
5.7	<input type="checkbox"/> Approximately 2/3 of staff uses public transportation or carpools Mon-Fri
5.7	<input type="checkbox"/> Approximately all of staff uses public transportation or carpools Mon-Fri
6.0 Office Operations	
6.1	<input type="checkbox"/> Sustainable sourcing program - recycled paper, plates, and waste material
6.2	<input type="checkbox"/> Double sided scripts / paperless distribution of scripts
6.3	<input type="checkbox"/> Only the updated sheets are printed during script changes
6.4	<input type="checkbox"/> Paperless production
6.5	<input type="checkbox"/> Green cleaning products
6.6	<input type="checkbox"/> Recycling bins placed next to ALL trashcans
7.0 Catering and Craft Services	
7.1	<input type="checkbox"/> Purchase locally grown foods
7.2	<input type="checkbox"/> Purchase organically grown foods
7.3	<input type="checkbox"/> All untouched food donated to charity / sister organization
7.4	<input type="checkbox"/> Bottled water is replaced with water jugs
7.5	<input type="checkbox"/> Plastic bottles / non-disposable glasses and mugs are used
8.0 Filming and Post Production	
8.1	<input type="checkbox"/> Rented electronic equipment so it will be maintained and reused
8.2	<input type="checkbox"/> Digital filming that uses no film
8.3	<input type="checkbox"/> Concerted effort to reduce use of courier / go digital
8.4	<input type="checkbox"/> Post production house recycles
8.5	<input type="checkbox"/> Post production house uses green power
9.0 Education and Messaging	
9.1	<input type="checkbox"/> Office education campaign aimed at the crew
9.2	<input type="checkbox"/> Educational materials available in the actor's trailer
9.3	<input type="checkbox"/> Movie website leads visitors to information on sustainability
9.4	<input type="checkbox"/> DVD includes SPECIAL FEATURES on Green Production
9.5	<input type="checkbox"/> Part of the movie dialogue or action refers to the environment / sustainability
10.0 Other	
10.1	<input type="checkbox"/> Innovation - Please list any unique green initiative not listed
